LEAD2 project

LEAD2 ONLINE KNOWLEDGE BASE
(MID-TERM REPORT)

Co-funded by the
Erasmus+ Programme
of the European Union

I. Main goals of the Online Knowledge Base (OKB)

- Provide a rich online knowledge base that incorporates various resources and literature on the topics of university governance and academic leadership
- Provide a search and referencing tool
- Facilitate learning and sharing activities among stakeholders.
- Update and store LEAD2 project deliverables (workshop materials, training course materials, publications, etc.)
- Provide online platform for social interaction among leaders at different levels.

Co-funded by the
Erasmus+ Programme
of the European Union

II. Three main components of Online Knowledge Base (OKB)

1. *LEAD2 Knowledge Base:*

- ✓ Serves as an online library and sharing platform that stores and organizes various resources and literature on university governance and academic leadership.
- ✓ Resources and materials are structurally organized and classified into different source types and topics.

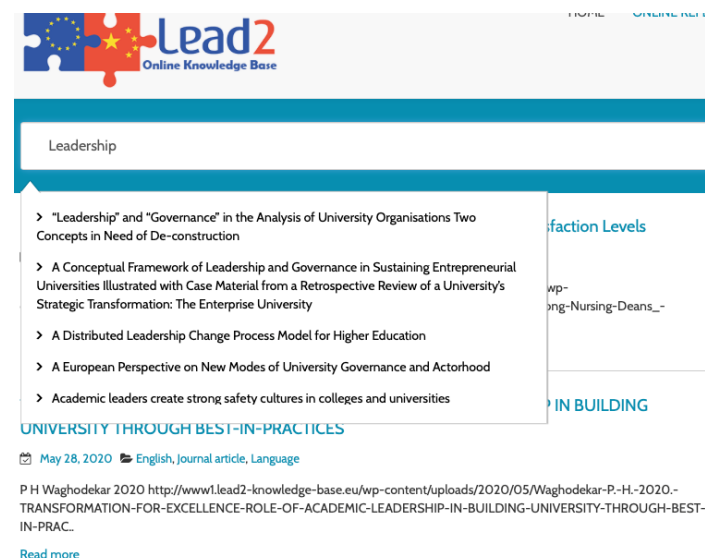

Co-funded by the
Erasmus+ Programme
of the European Union

II. Three main components of Online Knowledge Base (OKB)

2. LEAD2 Online referencing Tool

- Provides a search and referencing function based on the Lead2 Knowledge Base literature and resources which are systematically categorized according to specific classifications.
- The tool uses techniques such as knowledge-based recommendations to improve the quality of search results.
- The tool can also automatically recommend relevant resources based on the characteristics of learners/users such as the language of the articles, the authors, keywords, and ideas or advices.

Co-funded by the
Erasmus+ Programme
of the European Union

II. Three main components of Online Knowledge Base (OKB)

3. *LEAD2 Padlet*

- It is a collaborative digital wall that provides social interaction and collaboration of community groups.
- It also allows users to store and share multimedia content.
- 4 virtual chat rooms were created for academic leaders and staff at different levels who can join for community interactions, share experiences, and widen their networks and professional communities.

Co-funded by the
Erasmus+ Programme
of the European Union
