Subject: Revision for the abstract

Dear authors,

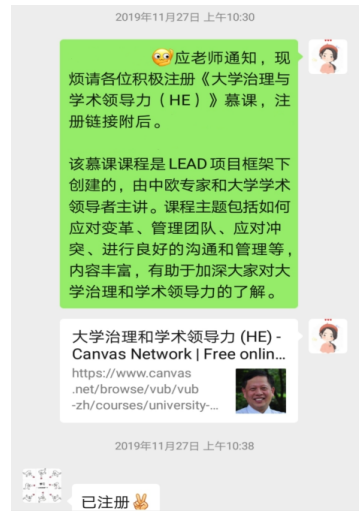

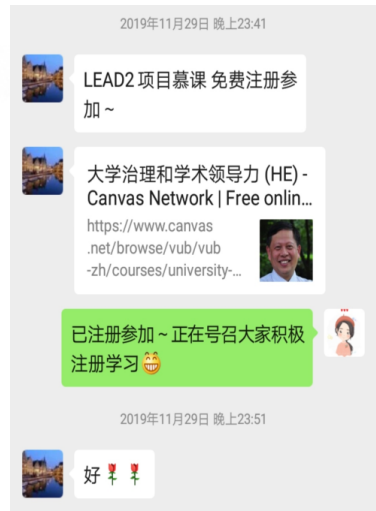

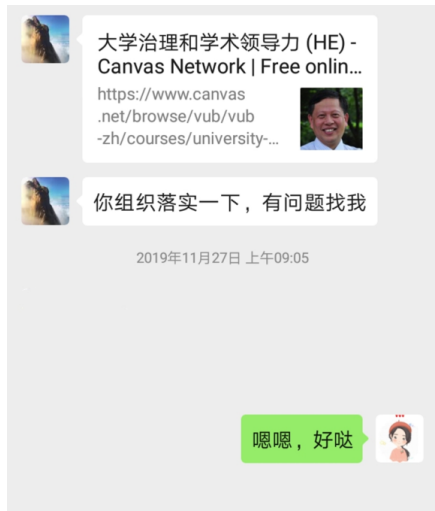

I hope you are doing well and staying safe in this difficult period.

I am writing this email to inform you about your abstract submitted for a special issue which is entitled ' Strategic Transformation in Chinese Industry-featured Universities since the Reform and Opening-up: The case of China University of Geosciences'.

Strengthen the Publicity of LEAD2 & Organize MOOC Learning

- ◆ Recommend the LEAD2 project to university academic leaders and students as learning materials
- ◆ Integrating learning outcomes into university work practices

▪ Assist LEAD2 Netease Cloud Classroom MOOC Construction

◆ Succeeded in applying MOOC

◆ Assist in course content construction

- Improve backstage management
- Record an introduction video
- Facilitated the completion of course application process

Thank you !
