# JANUARY-FEBRUARY-MARCH

The webinar on Internationalisation of University of Applied Sciences was successfully organized. Two keynote speeches were delivered followed by discussion session.

The LEAD2 project partners and members were dedicated themselves to a wide range of scientific research. These studies will be published in 4 accepted special issues in high indexed and peer-reviewed international journals.

# APRIL-MAY-JUNE

LEAD2 partner meeting was organized online on 1 April. The meeting focuses on project implementation progress, review of work plan, dissemination strategies and activities, impact assessment and project management related topics.

The co-design workshop on creating an academic leadership development model in HE was organized. The workshop included about 30 participants including academics and leaders working in HE who took part in the co-design.

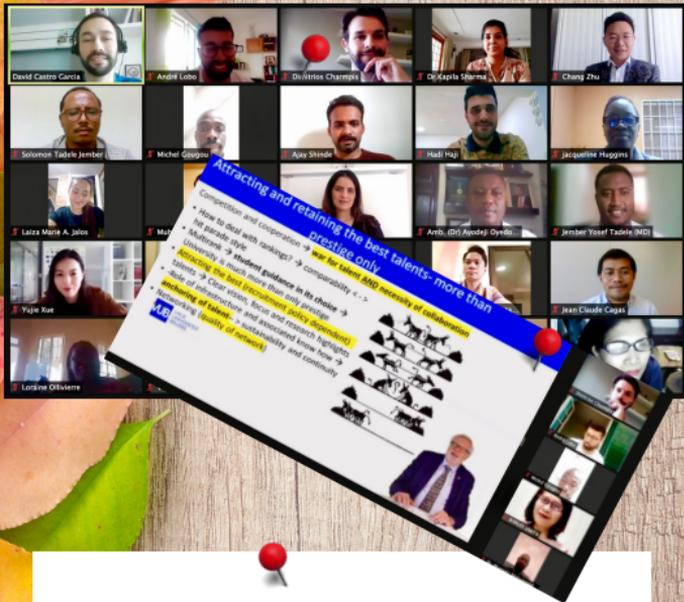

Developing the initial model

1. Which dimensions...
2. Which approaches can we...
3. What are the ultimate goals for academic leadership...

# APRIL-MAY-JUNE

LEAD2 online workshop on academic leaders in the new HE contexts was organized. The event attracted more than 60 participants.

Chinese partners' meeting successfully took place at CUG (Wuhan) with members from six Chinese partner institutions.

# APRIL-MAY-JUNE

As part of the events of Celebrating International Collaborations, Lancaster University organized the online seminar on 'Civic University and Internationalisation' in collaboration with LEAD2. This seminar was enhanced with keynote speakers from the LEAD2 project and LEAD2 network.

Co-organized by VUB, METU, and YNNU, a webinar on Internationalization of HE and platforms of cooperation networks was organized on 28 June 2021. Participants were LEAD2 partners, LEAD2 MOOC learners and alumni, and interested audience.

Co-funded by the Erasmus+ Programme of the European Union
